about the randstad workmonitor.

- The Randstad Workmonitor was launched in the Netherlands in 2003, then in Germany, and covers 33 countries around the world. The study encompasses Europe, Asia Pacific and the Americas. The Randstad Workmonitor is published 4 times a year, making both local and global trends in mobility visible over time.
- The Workmonitor's Mobility Index, which tracks employee confidence and captures the likelihood of an employee changing jobs within the next 6 months, provides a comprehensive understanding of sentiments and trends in the job market.

Besides mobility, the survey addresses employee satisfaction and personal motivation as well as a rotating set of themed questions.
